

## Information Needed to Determine the Location of PSCA National Specialties

As the PSCA continues to evolve, looking for new national show sites is a part of the process. In order to provide the membership with the knowledge needed to make a decision, the board of directors asks that you contact the cluster chairperson and complete this questionnaire. Use the comment boxes as needed to add any additional information.

Does the club provide anything else? New Castle provides rosettes for BOB, BOS, BW. For a small fee we can upgrade flats (we usually do) for WD, WB, SD, SB, and AOM's. They also pay us \$1 per entry each day of the cluster.

Provide a brief summary of why you feel this would be an ideal site to hold our National Specialty.

Once you have gathered the above information, please submit it to the PSCA Board of Directors for review. If there are no more questions, this information will be placed on the agenda of the Annual Membership meeting during this year's National. A vote will be taken to choose the favored site.
