

Pyrenean Shepherd Club of America

Supported Show Policy & Sponsor Application

1. It is the policy of the PSCA to Support the entry of Pyrenean Shepherds through willing sponsors at All-Breed Dog Shows. The purpose of a PSCA supported entry is to boost and highlight the entry of Pyrenean Shepherds at an all-breed show and to provide a forum for camaraderie and good-sportsmanship among Pyrenean Shepherd exhibitors and fanciers.
2. A member or group of members, all of whom are in good standing with the PSCA may sponsor a supported show.
3. The sponsoring party must notify the PSCA Secretary, in writing, at least 8 months but not more than 18 months in advance of their desire to sponsor a supported show. The application to support a show can be completed and mailed or emailed to the PSCA Secretary.
4. The sponsor must supply the name and address of the Chair of the show-giving club along with the name, date, and place of the show and information regarding money given back by the All-Breed club for the supported entry, if any.
5. The PSCA Secretary will notify the PSCA BOD and the event chairperson for the show-giving club, if applicable, within 7 days of receipt of the Supported Show application. The BOD will decide, through a majority vote, if the PSCA will give permission for the Supported Show.
6. If permission is given by the PSCA BOD, the PSCA Secretary will notify the Chair of the show-giving club of PSCA's intent to support the entry of Pyrenean Shepherds at the specified show. A copy of this notification will be sent to the sponsor.
7. If a sweepstakes is held in conjunction with the supported show, the proper AKC form is to be filled out and either emailed or mailed to the PSCA Secretary for his/her signature. The Secretary shall then sign and mail or fax the completed form to the AKC event Plans Dept.
8. The sponsors will offer, at the minimum, trophies suitable for awarding to the Best of Breed, Best of Opposite Sex, and Highest Scoring Pyrenean Shepherd in Rally, Obedience and other events, provided their inclusion is part of the show, with a qualifying score required for presentation of the trophy at the minimum.
9. PSCA agrees to reimburse the sponsor(s) up to \$150 for the purchase of trophies for the supported show. The reimbursement will only occur if the sponsor provides a detailed description of trophies given and a receipt(s) for those trophies. The receipt(s) and trophy descriptions will be sent to the PSCA Treasurer who will then review and confirm that proper information has been provided by the sponsor in regard to the trophy expenses. The PSCA Treasurer will reimburse the sponsor up to \$150 if the information in regard to the trophies is complete. Any trophies purchased with PSCA funds but not given, will be donated to raffle/auction at the following PSCA National Specialty.
10. The number of supported shows any one group or individual may sponsor per consecutive show circuit is limited to one unless prior PSCA BOD approval is received. Any one group or individual may sponsor no more than two shows a year.
11. The premium list (unless the all-breed club uses an abbreviated premium list) and catalog must state the entry is supported by PSCA and not by the individual(s) who are the sponsors. The premium list and catalog should also contain a list and description of the trophies offered.
12. If PSCA is not shown as the supporter of the entry, the trophy reimbursement will not occur.
13. If the sponsor(s) do not follow this policy in regard to Supported Shows, the BOD of the PSCA may refuse to reimburse the sponsor(s) and/or to allow the sponsor(s) to sponsor any show(s) in the future.
14. This policy will become effective August 1, 2013 and has since been modified to expand the types of supported entries to include, but not limited to agility, Fast CAT, and scent work.
