Versatility information

The Pyrenean Shepherd Club of America strives to protect and preserve in Pyrenean Shepherds in America, the unique qualities of type and temperament which have traditionally been valued in the French Pyrenees Mountains, the breed's place of origin. **Versatility** awards exist to recognize owners and breeders of dogs whose achievements demonstrate the versatility that is such a strong part of the breed's ability to adapt and excel in many circumstances. We encourage all PSCA members to engage with your dogs and to earn one of our awards each year. Please send your nominations to us at the contacts below!

- To apply for an award one title must have been earned after Jan. 1, of the current year.
- The versatility award year runs from Jan. 1 to December 31 and is awarded at the National Specialty the next year.
- Only the highest title will count in each area. For example, a MACH is 14 points, so no more points from agility can be earned. If you go from a NA to an OA, then you can claim the 6 points for an OA but not the 4 points for a NA.
- With proof & proper documentation, consideration will be given to titles earned from venues other than AKC. Please send to the Chair of the Versatility committee.
